

# Curriculum Vitae

name and surname: Antonín Edr  
born: 10. 12. 1992 (Czechia)  
e-mail: edr@icpf.cas.cz

## Education

2018 - present UCT Prague  
PhD. degree – field Organic Chemistry, topic Synthesis of Dendritic Compounds  
- PhD. thesis elaborated at ICPF CAS under surveillance of T. Strašáka, Ph.D.

2012 - 2018 UCT Prague  
master degree – field Organic Chemistry, topic Fluorous Chemistry  
- diploma thesis elaborated at UCT Prague in laboratory of prof. J. Kvíčala

## Praxis and Presentations

2021 Oral presentation at internat. conf. „Liblice 2021“ Špindlerův Mlýn, Czechia

2021 Two-month internship in the LCC CNRS in Toulouse, France  
- studies of physico-chemical properties of prepared amphiphilic dendrons

2019 Presentation of poster at internat. conf. „PBSi 2019“ Rome, Italy

2019 Presentation of poster at internat. conf. „Nano2Clinic 2019“ Riga, Latvia

2014 - 2015 One-year internship at the Uppsala University, Sweden (ERASMUS+)  
- studies of Organic Chemistry and Spectroscopic methods

## Publications and co-authorship

2022 Edr A.; et al. *Int. J. Mol. Sci.* **2022**, *23*, 2114  
DOI: 10.3390/ijms23042114

2018 Hošek J.; et al. *ACS Sustain. Chem. Eng.* **2018**, *6*, 7026  
DOI: 10.1021/acssuschemeng.8b00865

## Languages

Czech mother tongue  
Slovak second mother tongue  
English fluent
